Dear Families,

I would like to welcome Mr Graham Jessup back to our school this year to work with the 4/5/6 class on the Lucinda Film project. In 2014 the theme is Myths and Legends and the students have already begun planning their story around a group of archaeologists searching for a mythical land. It should be a fantastic film once again.

Next week three of our students are heading to the Northern Rivers Creative Arts Camp at Lake Ainsworth in Lennox Head. This is always a wonderful experience for our students as they join with children from other schools across the region to work on creative pursuits such as music, drama and visual arts. Congratulations to Gabe, Sebastian and Felix for being selected and we wish them all the best for next week.

Our major P and C fundraiser for the year, the Federal Film Night, is fast approaching and we are calling for volunteers to assist with the food preparation, serving and clean up on the night. If you are able to help in any way please complete the form on page 4 of the newsletter. Last year there were an incredible amount of volunteers and we raised around $1200 for the school. It would be great if many parents could again help out our P and C, who contribute financially to many projects and programs around the school.

Unfortunately the District Athletics Carnival (field events, 800m and 200m) at Clunes PS had to be cancelled on Monday due to wet weather. It will now be held this coming Monday 28th August. All previous organisation is still applicable ie. transport is privately arranged by parents and students are competing in the same events as per the original program. A new permission note will need to be signed acknowledging the change of date. This is included on page 6 of the newsletter and can be handed to me on Friday at Eureka, or at the carnival on Monday morning.

Fingers crossed for fine weather on Friday and a wonderful day for our students and families at Eureka.
